

## HOSPITALS – PARKING AND DIRECTIONS

**THE FOLLOWING ADVICE ASSUMES THAT THE SURREY COMMUNITY TRANSPORT DRIVER ON DUTY YELLOW CARD IS DISPLAYED IN YOUR WINDSCREEN.**

### **WAGGON YARD CAR PARK FOR DOWNING STREET SURGERY**

CARE Farnham have their own parking bay at this car park. It is at the back of the entrance ticket machine and is marked “RESERVED PARKING” on the ground and is signed “contract parking only” (that’s us!). In due course a sign will be put up but CARE Drivers may use this space immediately.

It is NOT necessary to pay for a ticket or have blue badges but YOU MUST PUT YOUR YELLOW BADGE ON THE DASH BOARD. They intend to patrol this space and any vehicle without our badge will be booked and they will not cancel a ticket if you forget. Try to use this bay when you can so that we can show we need and appreciate their help.

**FARNHAM HOSPITAL** – Drivers may leave cars at the entrance roundabout only while they take Clients through to their appointment. Parking is free in the main Car Park.

### **DENTIST EAST STREET – Farnham**

Drivers may park in the Vale Furnishings car park just beyond the Dental Surgery – please display yellow badge.

If you park in the Lidl car park you must buy something and give the registration number of car at the check out!

### **FRIMLEY PARK HOSPITAL GU16 7UJ**

Clients can be dropped off at the set down point opposite the main entrance – cars should not be left unattended – but in exceptional circumstances ask at the Security Office, showing CARE ID badge and they will try to cooperate for you to wait not more than 10 minutes to take in or collect a Client.

After dropping off Client, go to main car park (no right turn into entrance, you have to go back to the Portsmouth Road roundabout). When leaving, take tickets to the Security Office and they will give you a free exit ticket when you show CARE ID badge. There is a wheelchair bay in the main car park (4 donated by CARE Farnham).

### **EARLY MORNING APPOINTMENTS**

If Client needs a wheelchair with a hospital porter the main reception is open from 8.00am. For earlier appointments the hospital suggests that you ask in A and E (just past the main entrance).

### **ENTRANCE B – Eye Department/Eye Ward**

Go into main car park, follow signs to “ENTRANCE B” to the outside section, go right down to the fence opposite Entrance B where there are 6 spaces marked Children in wheelchairs – these we may use if displaying yellow SCA badge. There is a pedestrian exit here. And there should be wheelchairs at the entrance. FREE EXIT TICKETS can be issued at the Eye Clinic reception desk.

If you do not wish/need to go into the car park, carry straight on past the entrance, exit and the new A & E/helipad and there is a set down point for Entrance B on the left, after the ambulance bays.
